

**PRO FOOTBALL BOUND**—Harold (Champ) Henson, Ohio State University fullback, was the guest speaker at the YMCA Indian Guides and Princesses breakfast Saturday. Henson told the youngsters and their fathers if he had it to do all over again he would still play at Ohio State, but is giving up another year of eligibility of college football because he is looking forward to the challenge of a pro career. He hopes to be an early draft pick and has been contacted by practically every pro team.

## Rocky Thinks CIA Probably Violated Statutory Curbs

WASHINGTON (AP) — Vice President Nelson A. Rockefeller says he believes the commission he heads will find that the CIA violated its statutory authority by spying on American citizens and must determine who ordered the allegedly illegal operations.

Rockefeller, the head of an eight-member commission investigating the CIA, said his panel's investigation will "go as far as any action leads us, to a Republican president, to a Democratic president or anybody else."

He said a chief question facing the commission is "has there been violations of or abuses of the statutes relating to the activities of the CIA in the United States ... I think we are going to find the answer is yes."

"And what we want to do is (find) where were they, how extensive, and who authorized it, and was this a direct presidential or attorney general order, and what were the reasons for it," Rockefeller said Sunday on CBS' "Face the Nation."

The vice president voiced his belief on the eve of a Senate vote setting up a special committee to investigate the CIA, FBI and other U.S. intelligence agencies. Meanwhile, Rockefeller's commission resumes its investigation today with CIA Director William E. Colby returning for a second round of questioning.

Colby was to be followed by Richard Ober, who once headed a coun-

terintelligence unit which Colby has acknowledged kept files on 10,000 American citizens.

Ober now is on the staff of the National Security Council and has refused all comment since his name was first mentioned more than a month ago in connection with domestic spying by the CIA.

The Senate committee being created today will conduct a more sweeping investigation of the intelligence community than Rockefeller's commission. It will investigate up to 60 government agencies which have intelligence functions, according to Sen. Howard H. Baker Jr., R-Tenn., who already has been named as one of five GOP members of the panel.

The Senate committee will subpoena former President Richard M. Nixon, if necessary, to get information about spying activities, Baker said.

It also will dig through the archives of the late President Lyndon B. Johnson and the Johnson library to determine the "general relationship of the intelligence community with the White House," Baker said Sunday on ABC's "Issues and Answers."

Baker said the Senate committee would be reluctant to subpoena Nixon, "who has fallen so far," but added, "Yes, the subpoena power could be used as an adjunct even with former President Nixon."

Current plans call for the Senate committee's investigation to be concluded by September.

## Do-It-Yourself Auto Repair Business Enjoying Boom

MIAMI, Fla. (AP) — Bank executive David Bricks turns into a grease monkey on weekends, renting tools on an hourly basis and doing labor himself at do-it-yourself car garages.

"I don't want to buy a new car. They're too expensive," said Bricks, vice president of a Hollywood, Fla., bank. "I've always considered them one of the greatest ripoffs against the American people."

Do-it-yourself auto repair garages have opened around the country. Spokesmen here say they are doing a brisk business with white collar workers.

Bricks says he has learned how to rebuild the piston in his 1968 car and even care for the car's brakes. The garages provide him with mechanical advice at no extra charge, he said.

Hialeah housewife Betty Frasier said, "If I didn't know how to do the little things like tuneups and oil changes, I couldn't afford to keep the family's second car running."

Bill Wagener said he plans to get extra years out of his 1970 station wagon. "With the help of my friends, I just rebuilt my old car for \$1,000 rather than spending \$5,000 for a new one," he said.

The growing numbers of such people mean booming business at auto supply stores.

"If a guy has a few wrenches and doesn't mind skinning his fingers, he can save a lot of bucks," auto supply dealer Arthur Epstein said.

But amateur mechanics have not

been successful for everyone. Body shop owner Danny Gulian says some people try to do their own body work and wind up bringing the car to him.

"So we fix what they did wrong," he says. "Then it ends up costing them twice as much."

## Legal Public Employee Strikes Promoted

COLUMBUS, Ohio (AP) — Hearings begin in the legislature this week on a bill that would make it legal in Ohio for public employees to go on strike.

Similar legislation has failed at recent sessions of the legislature controlled by Republicans, but the outlook is different this time with labor-oriented Democrats in control of both chambers.

Veteran Rep. Thomas R. Gilmartin, D-51 Youngstown, introduced the bill. It and other similar measures, besides repealing the strike-prohibiting Ferguson Act, provide for disputes between public employers and their employees to be settled by means of arbitration.

The bill comes up for its first hearing at 8 p.m. Tuesday in the House Commerce & Labor Committee. The same panel also will begin deliberations on another bill that permits persons who quit their jobs to qualify for unemployment compensation if unable to find other employment in 90 days.

The Senate opens its fourth week of work with a floor session tonight at

## Auto Sales Increase Reported

WASHINGTON (AP) — United Auto Workers President Leonard Woodcock says the nation's car makers can't lower prices because their profit margins have been "paper thin" for more than a year.

"You can't cut prices when you're losing money on every car that is sold," Woodcock said during an appearance Sunday on NBC's "Meet the Press."

Woodcock conceded that cutting auto prices probably would help sell some cars and increase employment, "but it can't be done on a loss basis. All you have to do is take a look at their profit margins," he said in explaining why the UAW is not criticizing current car prices as it has in the past.

Citing the first nine months of 1974, Woodcock said, "General Motors reduced its sales over the year before by 17 per cent, but had a drop of profits of 86 per cent."

Auto executives say they are satisfied with car sales since rebate programs began, but 16 assembly plants and more than one-third of the industry's work force will be idle this week.

Nearly 248,000 of the four auto companies' 685,000 blue-collar workers will be off the job, including about 180,000 on open-ended furloughs.

Chrysler Corp. Chairman Lynn Townsend said over the weekend he was pleased with the reaction to Chrysler's rebate program. He said the rebates may be continued into the spring.

"On the basis of the first two weeks, we are very pleased with the sales," he said. "It is great, it has far exceeded our expectations."

In mid-January, the first sales period in which rebates were given, Chrysler car deliveries were up 88 per cent from the early January period, but still off 9 per cent from the year before when the gasoline shortage hurt sales.

All four auto companies have rebate programs scheduled to expire Feb. 28. The discounts save car buyers from \$100 to \$600 on selected models.

General Motors Chairman Thomas Murphy continued to sound a call of optimism and declined to say whether GM might extend the rebate offer.

Murphy said he doesn't agree with some auto executives, including Townsend and Henry Ford II, who have warned that the industry may be headed for a depression.

Murphy said he foresees an upturn in the coming months and believes thousands of GM workers can look forward to going back to work in the spring.

## Minister Gunned Down

CLEVELAND, Ohio (AP) — A minister was gunned down on a Cleveland street Sunday on his way to church, police said.

The Rev. Ernest McKinney of Cleveland was shot at about 7 p.m. by one of two gunmen who made off with his wife's purse, police reported.

The 61-year-old minister was only 50 feet from the door of Saint John's A.M.E. Church when a man put a chrome-plated revolver to his head. A second man grabbed the purse Mrs. McKinney was carrying, she told police.

Mrs. McKinney threw the purse underneath a car, and she and one holdupman fell to the ground. A shot rang out and her husband fell, she said.

One man grabbed the purse, and the two fled.

The Rev. Mr. McKinney was minister of Mount Olive Baptist Church in Twinsburg for 10 years.

7:30 p.m. although no bills are scheduled for floor action. The House convenes at 11 a.m. Tuesday.

One of the week's major items is consideration by committees in both houses of identical, Democratic leadership bills appropriating a \$91.3 million state surplus for public schools. Republicans are pretty much aligned against the measure in the House, claiming the money should be put into the kitty for a new state money distribution plan now in the works for public schools.

The Senate Finance Committee, headed by Sen. Harry Meshel, D-33 Youngstown, will take up the bill again at 8 tonight. More testimony is expected from school groups urging passage. The bill would give each school district an additional \$40 per pupil during the last three months of the school year.

Rep. Myrl H. Shoemaker, D-88 Bourneville, chairman of the House Finance Committee which brings the bill up again Tuesday morning, said his panel is about ready to approve it—

## Ford Tax Plan Criticism Mounts

WASHINGTON (AP) — President Ford's proposed \$16 billion tax cut is coming under more scrutiny from the House Ways and Means Committee amid new criticism of the antirecession package.

The committee resumes hearings on the proposed tax cut today. The panel interrupted consideration of the proposal last week to vote out a bill that would force a 90-day postponement of Ford's \$3 levy on every barrel of imported oil.

The postponement will be difficult for Ford to veto since it is combined with a \$36 billion increase in the Treasury's borrowing authority. The full House is expected to vote on the measure either late this week or early next.

Meanwhile, Sen. Henry M. Jackson, who is expected to declare his candidacy next month for the Democratic presidential nomination, criticized

Ford's tax rebate proposal, saying:

"So when we talk about tax rebates and the figures show the \$50,000-a-year man getting \$1,000 and the \$5,000-a-year man getting \$12, there is a plan that begs for amendment."

"Now that the President has finally prescribed a 'treatment' for our energy and economic ills, people are asking if the cure isn't worse than the disease," Jackson said Sunday at a Los Angeles fund-raiser in his honor.

Members of the Ways and Means Committee also have challenged sections of Ford's tax measure.

Meanwhile, the Senate was expected today to approve formation of a special committee to investigate the CIA, FBI and other intelligence agencies, some of which have been accused of overstepping their legal jurisdiction.

On Tuesday, the Senate is scheduled to take up rival proposals dealing with the contested New Hampshire Senate

race between Democrat Louis C. Wyman and Democratic John Durkin.

The Democrats want to seat neither man, sending the matter back to the Rules Committee for further investigation. One Republican proposal would declare the seat vacant until a new election can be held while another would seat Wyman pending an investigation by the Rules Committee.

Also this week, Senate liberals are expected to resume their effort to change that body's filibuster rule, reducing the margin of votes needed to cut off debate from two-thirds to three-fifths.

Senate Democratic Leader Mike Mansfield said a cloture petition may be introduced today, meaning the Senate would vote Wednesday on whether to end the debate on changing the filibuster rule and bring the proposed change to a vote.

## Oil Summit Meeting Likely

ALGIERS (AP) — The oil-exporting countries have agreed to a meeting with their customer nations and plan a summit meeting of their own in four to six weeks to try to work out a unified position.

These decisions were announced Sunday at the end of a three-day meeting in Algiers of the oil, finance and foreign ministers of the 13 members of the Organization of Petroleum Exporting Countries.

A communique said the OPEC members "welcome the dialogue between the industrialized countries and the developing countries and are, in this spirit, prepared to participate in an international conference such as that proposed by the government of France which will deal with the problems of raw materials and development."

This indicated opposition to the American view that the conference should be confined to the oil crisis and that negotiations to ease it should not be complicated by discussion of other raw materials. But a member of the OPEC secretariat said the oil countries realized they cannot force subjects of discussion on the United States and the other industrialized countries.

The source said the communique "says what the OPEC countries would

like to happen, not necessarily what they expect to happen. The essential thing is that we have accepted the principle of a dialogue with the importing countries."

The communique said the chiefs of state of the 13 nations will hold OPEC's first summit meeting between Feb. 21 and March 8 in Algiers to thrash out their position. Reports from Paris said a preliminary conference might be held in late March to draw up the agenda for the conference of exporting

and importing countries.

OPEC members are Algeria, Ecuador, Gabon, Indonesia, Iran, Iraq, Kuwait, Libya, Nigeria, Qatar, Saudi Arabia, the United Arab Emirates and Venezuela.

The communique was phrased in moderate language and carried no reflection of an Algerian demand for commitment to a total oil embargo against the United States if it took military action against any OPEC nation.

## Wagon Train Trip In Reverse Set

ALDERWOOD MANOR, Wash. (AP) — Hundreds of Americans born too late to go West in wagon trains may soon have the opportunity to go East in the prairie schooners.

Men, women and children aboard horses and wagons are to leave various points in the nation for Valley Forge, Pa. Estimated time of arrival: July 4, 1976 — in time to celebrate the nation's 200th birthday.

Ken Wilcox, 57, of Alderwood Manor near Seattle, will be wagon master for the Washington state contingent of the Northwest wagon train. It is to depart June 7 from the U.S.-Canadian Peace Arch at Blaine, and include wagons representing Pennsylvania and Alaska.

The venture is being funded in part by the State of Pennsylvania and private companies. A \$3 million budget includes building 51 wagons in Jonesboro, Ark., the rental or purchase of horses, and food.

Wilcox figures the train will travel about six hours a day or about 20 miles. "We could make it a lot faster than that if we wanted to really extend the horses — but it's a long trip," he said.

The old routes are mostly paved roads these days. "When they put in the highways, they did just like the pioneers did — they went where the going was easiest," Wilcox said.

But there will be conveniences including trailers — for those wishing a hard cover in bad weather — and catered food. "In the old days they must have been tougher than we are," he says with a grin.

Plans are for the train to follow the Oregon Trail and parts of the Lewis and Clark Trail.

By Oct. 1, after traveling through Oregon and Idaho, the train is to arrive at Ft. Laramie, Wyo., where it will

stop for the winter.

In April 1976, the Northwest train will be on the move again, joined by other groups setting out from all across the country.

Planned points of departure are San Francisco; New Orleans; Helena, Mont.; Minneapolis-St. Paul; Oklahoma City; Carson City, Nev.; Atlanta; Lansing, Mich.; Augusta, Me.; Miami, and Ft. Mandan, N.D. Wagons from Hawaii and Alaska will be shipped to the West Coast to join the expedition.

Persons interested in joining the wagon train should contact their local Bicentennial Commission, Wilcox said.

## Levi Expected To Win Nod

WASHINGTON (AP) — All signs point to a prompt Senate confirmation of Edward H. Levi to be U.S. attorney general, a survey of key senators has disclosed.

Levi goes before the Senate Judiciary Committee today for formal questioning after having met privately with many senators in the past month.

Levi, 63, an antitrust expert, has been president of the University of Chicago since 1968 and dean of its law school before that.

President Ford nominated him for the Cabinet post to replace William B. Saxbe, leaving after a little over a year as attorney general to become ambassador to India.

Opposition to Levi's nomination initially surfaced from conservative and Republican ranks on the grounds that he once belonged to a liberal lawyers organization and is not known to be a vocal Republican.

However, this opposition has faded in recent weeks as he has won thumping endorsements of the American Bar Association and has been making the rounds in the Capitol to talk with individual senators.

"I don't know of any opposition," said Sen. Roman L. Hruska, R-Neb., the ranking minority member of the Judiciary Committee.

Republican leader Hugh Scott, also a member of the committee, said the outlook for Senate confirmation of Levi's nomination is good. He and others indicated the panel might be able to end its hearings in a day.

Both Illinois senators, Democrat Adlai E. Stevenson III, and Republican Charles H. Percy, have been filled with praise for Levi.

Only three requests to testify in opposition to Levi's nomination have been received by the Judiciary Committee.

One came from the Liberty Lobby, a conservative group, and another from the U.S. Labor Party. The third was from Frederika Blankner, listed as president of the Chicago Property Owners Association.

## Weather

Increasing cloudiness today, high near 40. Chance of rain tonight, low, low 30s. Rain likely Tuesday, high, low 40s. Probability of precipitation, 20 per cent today, 40 per cent tonight and 60 per cent tomorrow. Temperatures Sunday were: high, 32; low, 20.

## Markets

NEW YORK (AP) — Stocks surged ahead today in a powerful rally inspired by falling interest rates and an appeals court's ruling in favor of International Business Machines Corp.

The noon Dow Jones average of 30 industrials was up 19.64 at 886.25. Gainers overwhelmed losers by about a 9-1 margin in heavy trading on the New York Stock Exchange.

Wall Street was evidently jubilant over a federal appeals court's decision late Friday overturning an antitrust ruling against IBM in a case brought by Telex Corp.

Texas Utilities was the most active issue on the Big Board, up 1/4 at 22 1/2. A 170,500-share block traded at 21 1/4.

At the American Stock Exchange, the market-value index was up 1.20 at 72.25.

IBM and Telex shares were halted in trading until Tuesday by the securities and exchange commission, which said it wanted to give investors time to absorb the news of the court action.

The Big Board's composite common-stock index jumped .97 to 39.81.

Cook Industries, the Amex volume leader, rose 3/4 to 11 1/4.

Sheep 75. Load choice and prime slaughter lambs with No. 1 belts 103 lbs., 41.00.

## Police Solve Four Cases

Circleville Police last week solved four open cases with the arrest of five men.

Charles Ronald McClarren, 22, and Joseph Charles Rhodes, 19, both of West Wigo, La., were charged with the Dec. 12 mugging of 64-year-old Donald Johnson Sr.

Johnson, walking on Ohio St., was struck in the head and had \$14 stolen in the robbery. Seven stitches were required to close his head wound.

Circleville Police Sgt. Larry Pontious, who investigated the incident, implicated both men in the crime. McClarren and Rhodes turned themselves into Sgt. Pontious and Ptl. James Ford last week on orders from

## Stolen Car Recovered

The Pickaway County Sheriff's Department recovered a car shortly after midnight Saturday that apparently had been stolen about two hours earlier in Circleville.

Arthur Founds, Route 5, told Circleville Police that he parked his car in the driveway of Richard Olney's house, 637 Garden Parkway, about 10 p.m. Saturday.

When he was preparing to leave, he noticed that the 1969 Fiat Spider was missing.

Pickaway County Sheriff's Deputies recovered the vehicle 12:37 a.m. Sunday after it had been involved in an accident three miles east of the city on Route 56.

The car was a total loss. Police and Sheriff's detectives are trying to determine who was driving it at the time of the crash.

## Winter Snow Moves East

BY THE ASSOCIATED PRESS  
Heavy snows in the northern and central Rockies began moving across the northern Plains today creating hazardous driving conditions and endangering livestock throughout the region.

Heavy snow or blizzard warnings were posted for parts of Montana, Colorado, Wyoming and South Dakota. Swirling snow spread into Colorado, Nebraska and Iowa while continuing over the Rockies and Plains.

Six inches of snow fell in the Rockies early Sunday. Two inches covered Sioux Falls, S.D., and one inch was reported at Billings, Mont., Casper, Wyo., and Rapid City and Huron, S.D., before dawn today.

The southern third of the nation enjoyed mostly clear skies except for fog over much of the western and central Gulf region and over sections of Southern California.

Light and blowing snow persisted in western New York state and in western Pennsylvania, where travelers advisories were posted. Gale warnings for the eastern Great Lakes were lowered.

Temperatures before dawn ranged from 7 at International Falls, Minn., to 73 at Key West Naval Air Station, Fla.

## Perk Wants Tax Relief

CLEVELAND, Ohio (AP)—Cleveland Mayor Ralph Perk says the state should allocate \$50 million of an expected budget surplus this year to Ohio's cities and counties which were hurt by the 1971 state income tax.

Perk says the tax reduced local governments' tangible property receipts from persons and businesses and that the money never was refunded.

The mayor says he expects a \$100-million budget surplus this year. Some state officials have estimated the surplus will run about \$80 million.

In letters to Senate President Pro Tem Oliver Ocasek, D-Akron, and House Speaker Vernal Riffe Jr., D-New Boston, Perk says the \$50 million is needed to help keep the local governments stable.

The income tax has cost Cleveland \$4 million to \$5 million, Perk says.

## A THOUGHT FOR ANYTIME

Government should be the servant of the people and not their master.

## GE Employs Relations Specialist

JERRY SMOLEK

Jerry Smolek has been appointed employe and community relations specialist at General Electric's Circleville Lamp Plant.

Jerry is a second year member of the GE employe relations management program.

Previously he worked as a personnel practices specialist in Fort Wayne, Ind., in the technical resources operation, and in the TV receiver product department in Portsmouth, Va., as a second shift supervisor.

Jerry and his wife, Reah, are new to the Circleville community.

## Two Men Apprehended In Burglary

Two Central Ohio Men are being held in the Circleville City Jail for the 3:50 p.m. Saturday burglary at the Harold Strous residence, Route 1, Laurelville.

Lloyd Artis Jr., Chillicothe and Johnny Maughmer, Columbus, were apprehended by the Ross County Sheriff's Authorities near the Route 23 bypass, after receiving an all-points bulletin from the Pickaway Authorities after the two had been involved in the theft.

Auxiliary Deputy Norman McClelland was investigating the report of a vehicle involved in a burglary but could not locate the auto in the area.

While Pickaway County Sheriff Dwight Radcliff was patrolling the Kingston area, he heard over the radio that the two suspects were stopped near the 23-bypass by Ross County Sheriff's Deputies.

Pickaway Deputy James Fite and Radcliff arrived at the site of the apprehension. The two prisoners were then transported to the Ross County jail before being transferred to Pickaway County. The auto was impounded by Radcliff and brought to Pickaway County.

After transferral to Pickaway County, Artis admitted to Radcliff that he and Maughmer entered an enclosed rear porch located on the Strous residence and took meat, valued at \$75. Both are presently being held by Authorities and are charged with aggravated burglary and petit theft.

## Missionary Service In Williamsport

There will be a Missionary Service 7:30 p.m. Wednesday at Williamsport Church of Christ in Christian Union. Speakers will be Mr. and Mrs. David S. McCullough, on furlough from the Texas-Mexican border.

## Speaker Scheduled

Jim Dorsey, a student at Circleville Bible College, will be guest speaker for the 7:30 p.m. Wednesday Missionary Service at First Church of Christ in Christian Union. Dorsey served as an intern last summer in the West Indies.

## Deaths And Funerals

### MR. RAY HASHMAN

Mr. Ray Hashman, 53, of 736 Maplewood Ave., died 6:30 p.m. Saturday at Berger Hospital.

Born July 30, 1921 in Hocking County, he was the son of Clyde and Bertha Martin Hashman.

He was a veteran of World War II, employed for 25 years by the Circleville Water and Sewage Department and was a member of Ray Ave. Mission.

Survivors include his widow, Mrs. Margaret Rutter Hashman; three sons, Donald Hashman, Route 4; Lester Hashman, 228 Plum St., and Steve Hashman, of the home; three daughters, Mrs. Joan Grandstaff, Buzzard Bay, Mass.; Mrs. Bonnie McCain, 135 Logan St., Circleville; Miss Carolyn Hashman, of the home; two grandsons; one brother, Ernest Martin, Dayton; six sisters, Mrs. Ilene Douglas, Miss Mable Martin, and Mrs. Virginia Lanning, Nelsonville; Mrs. Fay Williams, Logan, Mrs. Aldene Lanning, Zanesville; Mrs. Myrtle Whitney, Barborton.

The funeral service will be 10:30 a.m. Wednesday at Wellman Funeral Home with the Rev. Dorothy Conrad officiating. Burial will be in Forest Cemetery.

Friends may call at the funeral home beginning 7 p.m. Monday.

### MRS. DOROTHY KUHN

Mrs. Dorothy Kuhn, 65, of 317 Long St., was dead on arrival at Berger Hospital 11 a.m. Sunday.

Born June 18, 1909 in Ross County, she was the daughter of William and Lulu Blessing Lowery.

Survivors include her husband, Roxy Kuhn; one daughter, Miss Ruth Kuhn, 317 Long St.; two sons, Roxy Kuhn Jr., Glouster; Jack Kuhn, Darbyville; one grandchild; two sisters and one brother.

The funeral service will be held 2 p.m. Wednesday at Wellman Funeral Home with the Rev. David Cyrus officiating. Burial will be in Forest Cemetery.

Friends may call at the funeral home beginning 2 p.m. Tuesday.

### MR. ORRIN W. BROWN

Mr. Orrin W. Brown, 75, Jacksonville, N. C., died Sunday at his residence.

Born Aug. 28, 1899 in Pickaway County, he was the son of Mr. and Mrs. Milton I. Brown.

Survivors include his widow, Mary; one daughter, Mrs. Mack Moore, Jacksonville, N. C.; three grandchildren; two brothers, Fred D. and Karl, both of Circleville.

The funeral service will be Wednesday at the Jones Funeral Home in Jacksonville, N.C.

### MR. MOSES E. HIXENBAUGH

The funeral service for Mr. Moses Edson Hixenbaugh, 81, of 364 E. Ohio St., who died 11:25 a.m. Friday at Berger Hospital, was held 11:30 a.m. Monday at Defenbaugh-Wise and McCain Funeral Home with the Rev.

Alonzo Hill officiating. Burial was in Forest Cemetery.

Born Oct. 28, 1893 in Circleville, he was the son of Moses A. and Margaret Starkey Hixenbaugh.

His first wife, Mrs. Mary E. Buskirk Hixenbaugh, preceded him in death in 1949. Two sons, Gilbert and John, and one daughter, Ermma, are also deceased.

Survivors include his widow; Mrs. Marie Carlile Hixenbaugh; two sons, Edward Hixenbaugh, Dayton; Billy Hixenbaugh, 360 E. Ohio St.; four daughters, Mrs. William (Marguerite) Wilkinson, 382 E. Mound St.; Mrs. Roy (Alma) Holcomb, Columbus; Mrs. Donald (Mildred) Shisler, Route 2, Williamsport; Mrs. Richard (Romaina) Humes, Columbus; 21 grandchildren; 45 great-grandchildren; one step-son, Roscoe Peters, Route 1, Darbyville.

He was a retired employe of Container Corp. of America in Circleville.

## New Citizens

### MASTER BROOKS

Mr. and Mrs. Randy Brooks (Tonya Johnson,) Route 1, South Bloomingville, are the parents of a 7-pound 5 1/2-ounce son born 6:11 p.m. Saturday at Berger Hospital.

### MASTER WALKER

Mr. and Mrs. Charles R. Walker (Wanda Williams,) 2060 Ottawa Drive, are the parents of a 7-pound 4 1/2-ounce son born 8:15 p.m. Saturday at Berger Hospital.

### MISS GLITT

Mr. and Mrs. Dean Glitt (Linda Holley,) Route 1, Amanda, are the parents of an 8-pound 12-ounce daughter born 2:11 p.m. Sunday at Berger Hospital.

### MISS SMALLEY

Mr. and Mrs. Stephen Smalley (Dorcas Dixon,) 411 S. Court St., are the parents of a 7-pound 3-ounce daughter born 8:45 p.m. Sunday at Berger Hospital.

### MISS SPIRES

Mr. and Mrs. Clarence (Butch) Spires, 169 E. Sandusky St., Mechanicsburg, formerly of Circleville, are the parents of a daughter born Saturday.

### MASTER BROWN

Mr. and Mrs. James Brown (Jacqueline Lyna,) Laurelville, are the parents of a 9-pound 14-ounce son born 2:07 a.m. Sunday at Berger Hospital.

## Kindergarten Housing Topic For TV Board

One of the topics which will be presented to the Teays Valley Board of Education for consideration tonight is an alternative to the kindergarten housing problem.

The board meets on the fourth Monday of each month at 8 p.m. at the high school.

## Open Letter

Dear Friends,

Question: How much should a funeral cost?

Answer: Never more than the family wishes to spend and can afford to spend.

Our establishment offers a wide range of plainly marked prices, which enables each family to select a funeral service well within its means — and this we definitely encourage.

Respectfully,

## Mader Funeral Home

# A Page Of Opinion

## Competing Equally

Few conditions are quite as frustrating to the producer who plans part of his output for foreign sale than to learn his competition overseas has an advantage padded by government subsidies. The principle of free trade works only when all major partners practice it.

Many nations, including some in the West, do not. Whether the intruding factor is in the form of tariffs, quotas,

tax concessions or special subsidies, the assistance can be sufficient to determine who sells what in which market.

Roger Fleming, secretary-treasurer of the giant American Farm Bureau Federation, in his annual report, placed his organization behind moves toward freer international trade. There is a condition, however, one which should be noted in Washington.

"We are opposed to having

U.S. Farmers, or anyone else for that matter," said Fleming, "have to compete with foreign imports that are subsidized by their respective governments."

Trade specialists should keep that sentiment in mind as a rule of thumb. Trade cooperation is badly needed in a time of shortages and economic problems. Regressing into trade restrictions and counter-restrictions will benefit no one.

## The Way It Could Be

ON THE LINE  
By BOB CONSIDINE

NEW YORK — It Could Happen: MOSCOW — Partly leader Leonid Brezhnev announced today that the Soviet Union will halt all caviar shipments to the U.S. until that superpower stops its rotten treatment of American Indians and its other minorities, including Jews, poor Christians, and Lapp dissidents.

Brezhnev was quoted in Pravda as follows: "Nyet — that's what we're saying, caviarwise. We are withholding shipments of our great national resource with full knowledge of the burden it will impose on the average American's diet. Caviar is to the American taste bud what a Pepsi is to a Muscovite's."

"We are confident that world opinion will be on the side of the U.S.S.R. in this eyeball-to-eyeball confrontation. We do not feel that this action constitutes any meddling into the domestic affairs of the U.S., in-trusionwise. We are simply giving Washington fair warning, Hot Line-wise, that it cannot get away with its cynical manner towards Americans who are attempting to escape from their reservations, ghettos and the chains of discrimination.

"Our own treatment of Russian citizens who wish to move up, or out, has been exemplary, as is well-known."

"We have taken due notice of America's unemployment figures, and propose the following: the Soviet Union, where everyone has a job and the top tax bite is 13 per cent, will issue work-visas to 1,000,000 U.S. skilled auto workers, nuclear physicists, MIRV technicians, missile designers, wheat farmers, and engineers qualified to fix the leak in the Kremlin bathroom — if you let your down-trodden go — free-wise."

WASHINGTON — Assistant Secretary of the Interior, M. Wafleford Zonk III, head of the department's Wounded Knee division, responded sharply tonight to Party Leader Brezhnev's support of American Indians.

Speaking above the roar of a cocktail party at the Malagasy Embassy, Mr. Zonk said, "I'm getting sick and tired of all this pampering of the American Indian. If the American Indian doesn't like this great country of ours, he should go back where he came from, pronto-wise."

RIYADH — King Faisal today announced that he had had a change of heart about buying \$750,000,000 worth of American jet fighters. He called for the early execution of George Meany, the top U.S. labor boss, and threatened another hike in oil prices.

"They're not worth a ryal more than \$25,000,000!" His Majesty thundered, beard quivering with rage. "Most of their cost is labor, and Meany has seen to it that the cost has become outrageous. Why should I pay \$80 a day

to a guy who is taking a coffee break or reading 'War and Peace' in the gents room when he should be sweating over the shape of a windshield wiper?"

"I'm taking my case to the World Bank, where I think I'll get a sympathetic hearing. After all, I should. I just saved it by lending it three quarters of a billion dollars."

"If that doesn't stop the crazy over-payment of American aero industry workers, salary and overtime, I'm putting another sawbuck on every barrel that leaves this country, petrowise."

CHICAGO — Federal District Judge Alphonse "Fink" Jones, today found tennis star Jimmy Connors guilty on both counts of an indictment that has aroused international controversy.

Count 1 — based on Connors' decision not to marry girl tennis star Chris Evert — moved Judge Jones to comment, "This has constituted one of the worst attempts I ever heard of to throttle the rights of the free press,

## President Ford Listening More To Science Advisors

NEW YORK (AP) — The White House under President Ford appears to be far more receptive to scientific advice than was the Nixon White House, says a panel of government experts that includes two former Nixon advisers.

There was a hostility to the scientific community in the White House of President Richard M. Nixon, says Clay T. Whitehead, former director of the White House Office of Telecommunications Policy.

"The Nixon White House perceived, and I think correctly, that the scientific community had political axes to grind that were different from the Nixon White House," Whitehead said.

The hostility that began under President Lyndon B. Johnson was allowed to "fester," Whitehead added, until Nixon moved the scientific advisory function to the National Science Foundation.

The role of science policy in a changing political environment was discussed today at the 141st annual meeting of the American Association for the Advancement of Science.

Edward E. David Jr., former science adviser to Nixon, agreed there was "definitely a falling out between the engineering community and the President."

But David told a news conference he thinks "President Ford has made it very clear he felt the arrangements when he took over were not adequate."

"Science advice doesn't mean a damn thing unless somebody in the White House is receptive to it," Whitehead said.

While that receptivity was "lacking

magazine division particularly, to write long gushy articles about their romance, marriage in Madison Square Garden, their first wee one, and their movie, 'The Love Game,' starring my good friend Don Rickles as the crooked umpire."

Count 2 — Connors' refusal to join the U.S. Davis Cup team elevated Judge Jones to full umbrage: "As an officer and gentleman in the Sanitation Corps in World War I, valiantly guarding Lake Michigan from enemy attack, it made my skin crawl during this trial to hear expert witnesses like the patriotic Davis Cup captain Denny Ralston tell the court that the defendant callously turned his back on playing, under the banner of Old Glory in its time of torment, against the crack Uruguayan team. Instead of playing for nothing for the U.S. of A., the defendant played that week in a \$100,000 tournament, in order to pay his U.S. of A. taxes."

Connors is expected to be given a stiff sentence, lifewise.

in the Nixon White House, the Ford White House wants it," he said.

The problem of reorganizing the national science advisory machinery has been assigned by Ford to Vice President Nelson A. Rockefeller. Completion of the study, however, may be delayed by the Rockefeller committee's investigation of the Central Intelligence Agency.

## Forecast

### OHIO

A chance of rain south and central tonight and snow north. Lows from the 20s to the 30s. Rain south and central Tuesday and snow, changing to rain in the north. Highs from the mid 30s to the upper 40s.

### NORTHWEST INLAND WEST LAKE SHORE

A chance of snow tonight. Lows in the low to mid 20s. Snow Tuesday, changing to rain. Highs in the mid to upper 30s.

### WEST CENTRAL CENTRAL EAST CENTRAL

A chance of rain tonight, becoming more likely Tuesday. Lows tonight in the low and mid 30s. Highs Tuesday in the low and mid 40s.

### By THE ASSOCIATED PRESS

The winds diminished, snow ended and skies began clearing across most of Ohio Sunday night and this morning. Temperatures changed only slightly with afternoon temperatures on Sunday mainly in the 20s and the 30s and early morning readings generally in the 20s, according to the National Weather Service.

The sun was to be visible over most of the state this morning, but clouding was forecast to return during the afternoon.

A few light snow flurries or light snow were forecast to fall in the north and some rain or snow in the central part of the state later today and tonight as a winter storm advances toward the lower Ohio valley tonight.

The precipitation will become more widespread on Tuesday as still another storm moves out of the Rocky Mountains and towards Ohio on Tuesday.

Temperatures were to moderate as winds were to become more southerly with temperatures today and Tuesday mostly in the 30s and 40s with a few 50s possible in the Ohio valley.

## Funeral Services Set For Ex-OI Official

TOLEDO, Ohio (AP) — Funeral services will be held here Tuesday for Harold "Red" Ottesen, 65, retired vice president of Owens-Illinois, Inc.

Ottesen, who was in charge of the firm's Western Hemisphere operations, including subsidiaries in Brazil, Mexico and Columbia, when he retired in 1973, died Saturday in a Toledo hospital.

## Today In History

By THE ASSOCIATED PRESS  
Today is Monday, Jan. 27, the 27th day of 1975. There are 338 days left in the year.

Today's highlight in history: In 1880, Thomas Edison received a patent for his electric incandescent light.

On this date— In 1756, composer Wolfgang Amadeus Mozart was born in Salzburg, Austria.

In 1808, the National Geographic Society was founded in Washington, D.C.

In 1943, U.S. bombers staged the first all-American air raid against Germany in World War II, striking Wilhelmshaven.

In 1944, the Russian city of Leningrad officially celebrated liberation from the Nazis.

In 1964, France recognized Communist China.

In 1967, U.S. astronauts Virgil Grissom, Edward White and Roger Chaffee died in a flash fire in their space capsule at Cape Kennedy.

Ten years ago: Military officers in South Vietnam ousted the civilian government of Premier Tran Van Huong.

Five years ago: Judge Harold Carswell told senators considering his nomination to the Supreme Court that he had no notions of racial superiority.

One year ago: Soviet Communist party chief Leonid Brezhnev arrived in Havana for talks with Cuban officials.

Today's birthdays: Bandleader Skitch Henderson is 57. Retired Admiral Hyman Rickover is 75. Publisher William Randolph Hearst Jr. is 67.

Thought for today: My experience in government is that when things are noncontroversial and beautifully coordinated, there is not much going on. — President John F. Kennedy.

## Editions Of The Past

### 1970

#### 5 YEARS AGO

Hewitt Cromley, Asheville, attended the National Cattlemen's Assn. meeting in Washington D.C.

Tim Hamilton was elected president of the Pickaway County Holstein Club.

Members of the patrons committee for Berger Hospital Guilds production of high fever follies has mailed letters to potential patrons of the show.

A thunderstorm developed in Pickaway County during the night as the thermometer pushed up to 63 degrees. The breath of spring was but a gasp, however, as snow flurries were predicted.

An operating budget of \$1,034,129 was approved for Berger Hospital by its board of governors.

Lack of sufficient classroom space was the main topic of discussion at a meeting of the Teays Valley Board of Education.

The 4-H and Grange building was filled to capacity for the annual meeting of the Circleville Area Chamber of Commerce. Senator Tennyson Guyer was the guest speaker.

## LAFF - A - DAY

"Let me rephrase that, Mrs. Benson — where DOESN'T it hurt?"

## Speaking Of Your Health

by Lester L. Coleman, M.D.

I am constantly aware of how many of my patients after surgery are overwhelmingly fatigued by too many well-meaning friends and relatives.

Many patients, just recovering from surgery or following an illness, are forced to play host to an endless stream of visitors.

It must be understood that a patient's threshold of exhaustion is very low. Yet at a time when they are least able to cope with social conversation they are expected to be charming, gracious hosts.

Yesterday, I walked into a patient's room and found friends lined up on each side of the bed. My poor tired patient's head was bouncing from one side of the bed to the other, like a pendulum, in her effort to be courteous.

Her fatigue was obvious. But she, like other patients, was trapped. Could she suggest that they leave? Hardly. She would seem ungrateful.

No one can deny that most patients, when they are recuperating, do enjoy a short visit from the family or dear friends. But many people who ordinarily would not impose themselves

during mealtime, even as close friends, become onlookers while the patient is propped up for his meal.

The rules of kindness to patients are simple. A few moments are all that a patient needs to appreciate a visitor's thoughtfulness.

In the early phase of an illness, a card or flowers demonstrates interest without consuming the patient's energy.

One member of the family should be the clearing house for the daily progress report of the patient. This person can tell friends the ideal time to visit and how short the visit should be.

Far too often, patients are made to repeat the cycle of their illness, the exact nature of their surgery and all the details of the total experience, to satisfy the interest, if not curiosity, of friends.

Finally, a big hooray. It is now absolutely forbidden to smoke in hospitals, except in specially designated areas. Far too often patients have been subjected to a roomful of sickening smoke which lingers as a reminder of an inconsiderate visitor.

## San Clemente

By JIM BISHOP

For five months after Richard Nixon edged certain impeachment by resigning, rambling almost tearfully about his poor boyhood and the saintliness of his mother, Casa Pacifica fell into gloomy silence. No word emerged except that Mr. Nixon was a sick man, lucky to be alive.

It touched our hearts and made us feel a sense of guilt about his guilt. Some weeks ago, a bird at San Clemente chirped cheerily. This was the voice of Rabbi Baruch Korff, valiant defender of the former President.

Nixon, he hinted, will survive and might — just might — return to public life to bring peace to the world. Within three days, this was followed by a two-hour press interview with Ron Ziegler, the young zealot who coined the word "inoperative."

This leads me to believe that we may expect a few leaked stories about Nixon's future ambitions, followed by selected interviews with friendly writers and politicians. First, the phlebitis will improve, followed by a contrite Nixon, probably in crutches, offering to work for peace. If true, it is a portrait to excite pity in stone hearts. This stone heart will not be moved. Richard the Last never understood the uses of power. Neither did Woodrow Wilson. Both assumed that Presidential power cannot be acted. Wilson was so aloof that he acted like an irritated father toward a retarded child.

Watergate, I suspect, is but part of the Nixon story. There is more to come. He was always a shrewd, unscrupulous man. In his first term, when he ordered his Vice President, Spiro Agnew, to attack the press and television, the President was trying to slam the door on the only corridor which could someday expose him.

In itself, Watergate was a comedic burglary. I don't think the President ordered it. His loyal knights understood that they could engineer any device which would detract from the images of the President's adversaries and enhance Nixon's.

Now I think of heads rolling. John Mitchell, Bob Haldeman, John Ehrlichman, Robert Mardian, John Dean, Chuck Colson, Dwight Chapin, Jeb Magruder, Egil Krogh, Harry Dent, Richard Kleindienst, Herb Kalmbach, Fred LaRue, Herbert Porter, James McCord, Howard Hunt, G. Gordon Liddy, Bernard Barker, Donald Segretti, etc., etc., ad nauseum.

Some went to prison. Some went free. All were ruined working for the chief. Nixon seemed not to know that he was walking the edge of a precipice on a stormy night. He expected

everybody to "stonewall it" to protect him.

When the final Rodino report was ready for action by the House, a nose count showed that Nixon had lost Republicans as well as Democrats. He was doomed; he was, by Special Prosecutor Leon Jaworski's reasoning, the unindicted co-conspirator.

In palpable shock, he quit. Stepped down and out. If Jaworski found him, as a sitting President, above the criminal laws and accountable only to impeachment, then Nixon sidestepped both penalties.

We pay him a pension of \$60,000 a year, \$90,000 for aides, and almost \$300,000 for Secret Service protection. In the depths of emotional depression, he agreed to a book contract for close to \$2,000,000. My understanding is that he is not ready to start work.

John Dean is writing a book. So is his pretty wife. E. Howard Hunt writes cheap thrillers. What can they explain? And what, as Pontius Pilate once asked, "is truth?"

The super-patriot which Nixon exposed to our view on television is poles apart from the foul-mouthed schemer revealed on the Presidential tapes. It is as though, unknowingly, we were dealing with two persons. In private, he was fond of repeating: "Nobody ever gave anything to Pat and me; we made it ourselves."

Repeatedly, he has told us he's "a fighter." Disgrace will not alter the character of a man now 62. His personal depression, even in a man with healthy and honorable emotions, is understandable.

Can he build a power base to start a new political life in California? I think not. Will he try? I must say yes, because he is already excusing his conduct by slapping the blame on the man who went to the wall for him: "I made mistakes in judgment. Perhaps I was too compassionate."

Bull. He has a pardon from the man he made President of the United States — so the Ford to Nixon due-bill has been paid in full. For the sake of the Republic, and Nixon's too, I hope that lonely tiger at San Clemente does not come out of his cage. . .

## Recycling

NEW DELHI, India (AP)—A total of \$100,000 was raised by recycling between 6,000 and 7,000 empty CARE cooking oil tins and flour bags, at 5 and 10 cents respectively. The money is being used to help support CARE food and nutrition education projects in India, where the agency feeds almost 11 million people daily.

## Campus Notes

Mrs. Yvonne Wiggins Cooper of Route 4, was among 23 student nurses in a recent ceremony at Morehead State University. The ceremony marks the successful completion of their first semester of nursing studies.

MRS. YVONNE COOPER

The class is scheduled to complete the two-year program in May, 1976. Mrs. Cooper is the daughter of Carl Wiggins and the wife of Daniel Cooper.

Thirty-one undergraduates have been named recipients of cash awards in support of 21 research projects in the first round awards of the annual Miami University Undergraduate Research Program.

Dr. Gordon E. Martin, chairman of the program's committee this year announced Miss Amy Mehalick, 319 Wood Lane, was among the recipients. The title of her project is "Personal Development in Non-objective Painting".

Miss Judith Lee Schein was installed as president of Kappa chapter of Tri Sigma sorority at Miami University on Jan. 15. She is the daughter of Mr. and Mrs. Paul D. Schein, Route 1, Williamsport.

A junior majoring in home economics education, Judy resides in Flower Hall. She is also a member of the Home Economics Honorary and the students' home economics organization.

Janice Kay Wilson is among 38 upperclassmen at Capital University recently selected for listing in the 1974-75 national edition of "Who's Who Among Students in American Colleges and Universities".

Miss Wilson is the daughter of Mr. and Mrs. Eugene Wilson of Ashville. She is a 1972 graduate of Teays Valley High School and is presently a junior at Capital where she is majoring in elementary education.

On campus, she has been a dormitory student counselor and has been named to the Dean's List for the fall semester of this year. Last year, she also was among a group of 11

### Robert S. Malga Heads Ohio Lottery

COLUMBUS, Ohio (AP) — Gov. James Rhodes has named Robert S. Malaga, a Cleveland attorney and sports enthusiast, as director of the Ohio Lottery.

Malaga was a major force in bringing the Davis Cup world tennis competition to Cleveland and in 1964 headed a ticket sales drive to keep the Cleveland Indians in the Lake Erie city.

"We need a man of Bob Malaga's determination and drive to make Ohio's the best lottery in the nation," Rhodes said.

Butterflies and moths belong to a large group of insects known as Lepidoptera, which means scale-wing.

Capital education majors who completed a special study project in Appalachia during the January Interim.

Juniors and seniors are nominated for "Who's Who Among Students" by a selection committee composed of students, faculty members, administrators and alumni. To be eligible for nomination, students must have at least a 2.5 grade average. In addition to scholarship, other considerations are the student's honors and awards, plus leadership in activities both on and off campus.

### Logan Elm Menu

#### "STATEMENT OF NON DISCRIMINATION"

South Central Power Company, P. O. Box 290, 2780 Coopers Road N.E., Lancaster, Ohio 43130, has filed with the Federal Government a Compliance Assurance in which it assures the Rural Electrification Administration that it will comply fully with all requirements of Title VI of the Civil Rights Act of 1964 and the Rules and Regulations of the Department of Agriculture issued thereunder, to the end that no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination in the conduct of its program and the operation of its facilities. Under this assurance, this organization is committed not to discriminate against any person on the ground of race, color or national origin in its policies and practices relating to treatment of beneficiaries and participants including rates, conditions and extension of service, use of any of its facilities, attendance at and participation in any meetings of beneficiaries and participants or the exercise of any rights of such beneficiaries and participants in the conduct of the operations of this organization.

Any person who believes himself, or any specific class of individuals, to be subjected by this organization to discrimination prohibited by Title VI of the Act and the Rules and Regulations issued thereunder may, by himself or a representative, file with the Secretary of Agriculture, Washington, D. C. 20250, or the Rural Electrification Administration, Washington, D. C. 20250, or this organization, or file a written complaint. Such complaint must be filed not later than 90 days after the alleged discrimination, or by such later date to which the Secretary of Agriculture or the Rural Electrification Administration extends the time for filing. Identity of complainants will be kept confidential except to the extent necessary to carry out the purposes of the Rules and Regulations.

### INDIVIDUAL RETIREMENT ACCOUNTS

• individual retirement accounts

## LET THE POWER OF TAX-FREE COMPOUND INTEREST MAKE YOUR RETIREMENT MORE SECURE

For years, corporations have been allowed to make fully tax-deductible contributions to retirement plans for their employees.

Now, You too can build a tax-sheltered retirement fund with our new Second National Individual Retirement Savings Plan.

But that's not all. Saving for your future can help you reduce your taxes now. Each contribution you make is fully tax-deductible, even if you don't normally itemize your deductions. And you won't pay current taxes on the income earned by your account.

Who can take advantage of such a

plan?

- Employees, who are not presently covered by a retirement plan sponsored by their employer.
- Working wives — even if they work part-time.
- Self-employed people, who don't want to include their employees in a retirement plan.
- Businessmen, who are interested in alternatives to more costly and complex corporate retirement plans for their employees.

For full details stop in one of our two convenient offices or call William Bennett, Assistant Cashier, 474-8891.

News Of Interest To Women  
The Circleville Herald, Monday January 27, 1975

### Mrs. Judd Dresbach Discusses National Defense At DAR Meeting

Pickaway Plains Chapter, Daughters of the American Revolution, held its January meeting at the Historical Society meeting room, Tuesday afternoon.

Mrs. Henry Bartholomew, regent, presided for the business meeting which was opened using the DAR ritual, assisted by Mrs. Emerson Spicer, chaplain. Mrs. Christian Schwartz led the Pledge of Allegiance to the Flag, and Mrs. Martin Cromley, pianist, accompanied for group singing of the "Star Spangled Banner."

Mrs. Austin Dowden read the President's General's letter, stressing it be a constant endeavor to bring new luster to historic, educational and patriotic objectives.

Delegates to the State Convention at the Sheraton Cleveland Hotel, March 17-19 are Mrs. Henry Bartholomew, Miss Dhel Renick, Mrs. Richard Hedges and Mrs. J. Wright Noecker. Alternates are Mrs. Judd Dresbach, Mrs. Emerson Spicer, Miss Margaret Dunlap, Mrs. J. Leroy Frazier and Mrs. Martin Cromley.

Delegates to the Continental Congress at Washington, D.C. are: Mrs. Henry Bartholomew and Miss Helen Mettler. Alternates are Miss Dhel Renick, Mrs. Judd Dresbach, Mrs. Emerson Spicer and Mrs. Charles Beckman.

Mrs. Austin Dowden, national defence chairman reported four people had written to their legislators lately.

Mrs. Paul Eitel, a member of the conservation committee reported eleven members had fed the birds and other animals, or planted trees or shrubs.

Mrs. Paul Cromley said a thank you note had come from Tamassee, the DAR sponsored school at Tamassee, S.C., for the 350 pounds of clothing sent from the chapter.

Mrs. Charles Beckman reported a note of thanks came from the Veterans Services at Chillicothe for the Christmas donations.

Twenty-nine members were present. Hostesses were Mrs. T. L. Cromley, Mrs. James Adams, Mrs. Forest Croman, Mrs. Paul W. Gearhart, Mrs. Glyn Hoover, Mrs. McClure Hughes, Mrs. Edward R. King, Mrs. Ben

### FOE Auxiliary Welcomes Members

Fraternal Order of Eagles 685 Auxiliary welcomed new members during its Thursday evening meeting in the Aerie Home.

Cleo Caudill, past president, presided over the business session. New members are Carolyn Davis, Linda Brown and Ellen Lemaster.

Thanking mystery sisters for birthday gifts were Edna Smith and Cleo Caudill. Mary Smith and Mina North expressed appreciation to their mystery sisters for anniversary gifts.

The three-year trustee office was declared vacant and nominations and election for the office will be held the first meeting in February preceded with a carry-in supper.

Fish steaks, brushed with butter or margarine, need only 20 to 25 minutes baking in a 350-degree oven. Serve with lemon wedges.

## Dear Abby:

By Abigail Van Buren

### Heel Of The Year

DEAR ABBY: My nomination for Heel of the Year is "Slim Smith," which, of course, is not his real name.

Slim is good looking, clean shaven, and believe it or not, he wears his dark, wavy hair cut short. He's a sharp dresser and natural born salesman with a million-dollar smile and true-blue eyes, like Paul Newman.

He came into the cocktail lounge where I'm a waitress, had two drinks and we started talking. Then he discovered somebody had lifted his wallet. I took care of his bill, and then he asked me if he could see me home after work. I said okay. (We used my car because his was in the shop.)

When we got to my place, he said his pad was being painted and asked if he could sleep on my couch. I said okay. The next day, he drove me to work in my car, and promised to pick me up after work. He never showed up.

You guessed it. That heel had taken everything in my apartment he could hock, and he took off with my car.

Not only that, but I lent him \$100. The police found my car in a town 300 miles away, and Slim is still missing. Sign me . . .

LEMON PICKER

DEAR ABBY: The Heel of the Year has got to be my daughter's former boyfriend. He is 24, and my daughter is 19. He got her in a family way and said he couldn't marry her until he straightened out a few problems. The "problems" were two other single girls (age 16 and 17) and one wife my daughter never even knew he had. The three of them were also pregnant by him.

Sure we could take him to court, but what good would that do? I can think of a good punishment for him but you couldn't print it in the paper. Please send the Heel of the Year medal to this sex maniac in Chicago. Thank you.

MRS. J.  
DEAR ABBY: Can the Heel of the Year be a woman? If so, I'd like to nominate daughter-in-law Nellie. She is 27 and my son is 22.

Nellie had four kids, ages two, three, four and five. After my son married her, she got him to legally adopt her kids.

As soon as the papers were signed, Nellie said she got a telephone call from her brother in Los Angeles saying their mother was dying, so she had to fly there at once.

She drew all the money out of my son's and her joint checking account and flew to California.

### Armco Steel Dividend Set

MIDDLETOWN, Ohio (AP) — Armco Steel Corp. announced a regular quarterly dividend of 40 cents a share of common stock, payable March 10 to shareholders of record Feb. 7.

The board also declared a regular quarterly dividend of 52.5 cents a share of preferred stock, payable March 31 to shareholders of record Feb. 28.

They backed up a truck and took everything. They didn't leave even a light bulb!

STRIPPED IN SAN FRANCISCO

DEAR ABBY: For Heel of the Year, please take my husband. He told me that this year the office Christmas party was for employees only—no wives of husbands allowed. Naturally, I stayed home and my husband went alone. (He came home at 4 A.M.)

I found out later that wives of husbands WERE invited, and he had told everyone at the party that I was home, sick in bed.

He is hoping all county cycling enthusiasts will want to take part this year.

## Service Scheduled For Crash Victims

COLUMBUS, Ohio (AP) — Funeral services are scheduled here Tuesday for Edgar T. Wolfe Jr., Frederick W. LeVeque and Carlton Dargusch Jr., prominent Columbus businessmen killed in the crash of a light plane near Washington.

Meanwhile, in Washington, federal investigators continued probing the cause of the accident, and hearings were to begin today into the crash of another plane bound from Columbus to the nation's capital.

Services for Wolfe, 49, publisher and board chairman of The Columbus Dispatch, will be held at 11:30 a.m. in Trinity Episcopal Church.

Last rites for LeVeque, 49, president and owner of Tower Parking Co. and several other businesses, are scheduled for 3 p.m. in the Central College Presbyterian Church.

Funeral services for Dargusch, a partner in the law firm of Dargusch and Day, will be held at 10 a.m. in

Trinity Episcopal Church.

The three men, along with pilots Robert D. Hatem, 28, and Richard White, 49, also of Columbus, were killed Saturday when their light twin-engine plane slammed into a radio tower and hurtled to the ground on the American University campus. No one was hurt on the ground.

Students in the area said one fuel tank apparently exploded when the plane hit the tower and the other at the point of impact.

The plane apparently struck the 765-foot tower about 30 feet from the top. Federal Aviation Agency officials said the plane should have been at an altitude of at least 1,500 feet at that point, about four miles from National Airport.

The weather was foggy and cloudy with some drizzle, and airport officials said the ceiling was about 700 feet.

The three men were flying to Washington to attend a dinner of the

## City Loan Co. Elects Officers

Joseph D. Minutilli, senior vice president consumer finance of Commercial Credit Company, has been elected to the board of directors of City Loan and Savings Company.

Minutilli is a resident of Baltimore, Md. The election took place at the shareholders annual meeting held Wednesday in the company offices in Lima.

At the same meeting E. L. Baumgardner was elected vice president, planning and procedures. Baumgardner started his career with City Loan in February, 1975, as director of computer operations. In January, 1974 he was elected assistant vice president. In addition to his new duties, Baumgardner will continue to direct the computer operations of the company.

Incumbent members of the board of directors reelected at the meeting were:

Richard D. Hoffman, president and board chairman; James E. Garrigus, vice president-administration; J. E. Knellinger, vice president-operations; George P. Arthur, vice president-marketing; W. E. Hinrichsen, vice president-personnel; John W. MacDonell, secretary; J.J. Heinen, treasurer; T. P. Latkovic, R. L. Rockhold, R. J. Clabaugh and R. P. Schuler, area directors.

Alfalfa Club, a group which spoofs politicians and government officials. Sen. Robert Taft Jr., R-Ohio, who had invited them, was at the airport awaiting the plane's arrival.

President Ford sent a telegram Sunday to Wolfe's brother, John Walton Wolfe, expressing his sympathy. The President said Wolfe would be "long remembered in the fields of commerce, communications and civic affairs."

Ford also sent personal letters to Wolfe's mother and children and to the families of LeVeque and Dargusch.

## Cheating At Bridge Claimed

SOUTHAMPTON, Bermuda (AP) — The world contract bridge tournament was faced today with its second cheating scandal in 10 years after two players for world champion Italy were accused of exchanging foot signals while bidding.

The allegation against Gianfranco Facchini and Sergio Zucchelli, initiated by an American journalist, forced postponement Sunday night of the fifth round match between Italy and the United States that was expected to be a preview of the finals.

The World Bridge Federation called a meeting to consider the accusation and temporarily rescheduled the match for this afternoon. However, the Italian team said it would quit the tournament if the two players were suspended. And the U.S. team said it would not play against a team that included Facchini and Zucchelli.

The last cheating scandal hit the tourney during the 1965 championships in Buenos Aires when two Britons, Terence Reese and Boris Schapiro, were accused of using finger signals. The British team, which was in a close race with the United States for second place, decided to forfeit its games and ended up last. The bridge federation suspended Reese and Schapiro for three years.

## Plumbing Contract At Hospital Held By Sauer Inc.

Under Thursday's front page picture, The Herald inadvertently gave credit to the Croson Plumbing and Heating Inc. for the plumbing and drainage at the Berger Hospital construction site.

Sauer Inc. has the contract to complete the plumbing, medical gas hook-up, vacuum lines and sanitary and drainage sewers.

## Rep. Guyer Named 93rd Club Treasurer

WASHINGTON (AP) — Rep. Tennyson Guyer, R-Ohio, has been elected treasurer of the 93rd Club, the organization of GOP House members who were elected to the 93rd Congress in 1972, it was announced by Rep. E.G. Shustern R-Pa., club president.

table to keep the players' feet apart. In the play Sunday, the Americans lost to France and then scored an easy win over Indonesia. France also defeated Indonesia. This put the Italians and French in a tie for first place with 63 points each. Then came the United States with 53, Brazil 31, and Indonesia 28. However, Italy and the United States made their total in four matches while France's was made in five.

Missing from the picture are Doug Williams, Stephanie Fraim, Becky Conley, Paula Vincent, Debbie Stover, Nancy Schein, Valerie Corbin and advisor, Debra Newell.

## WHS Annual Staff Busy, Enthusiastic

By JACQUI RICE

The annual staff has been busy this year. They have been selling ads, taking photos, planning the 1975

## Clock Turned Back To 1962

By JAN ELLISON and RON LYBARGER

If anyone had been near Westfall Saturday night on January 18, they would have thought they had stepped back in time. In the auditorium you would have found girls with dresses down to the middle of the calves, bobbie socks and saddles, rolled up jeans, pony tails, boys with greasers, leather jackets, and dark shades all bopping to the golden oldies of the 50's and 60's.

The Seniors sponsored this wonderful sock-hop. It was held right after the basketball game with Bishop-Flaget. The sock-hop proved to be a great money making idea. Everyone who attended had a great time trying out all the old dances.

## Club Notes

By V. LONG FFA

The Westfall Chapter of Future Homemakers of America are making Valentines Day favors for Children's Hospital. A bake sale will be held Feb. 7.

SAE

The student Action for Education is making plans for a trip to the Ohio State University Educational Department.

PTL Club

The Praise the Lord Club is tentatively planning a roller skating party the first Saturday in February.

Student Council

They sponsored Mistletoe Ball and "who went through the halls of WHS and collected money for "Operation Rudolph." They will hold a cake raffle during the Feb. 7 basketball game.

FFA

The Pest hunt is in full swing.

yearbook and working on new and different ideas.

Members of the staff are: Mary Karn, editor; Cindy Hamman, business manager and assistant editor; Theresa Conley, photographer; Doug Williams, sports editor; Connie Drummond, senior editor; Becky Conley and Ann Bowsher, junior editors; Sue Monett and Paula Vincent, sophomore editors; Debbie Stover, freshman editor; James Looney, photographer. Other members include Judy Wolford, Melody Morrison, Vincent Redman, Nancy Schein, Valerie Corbin, Tammy Easter, Gina Buskirk, Stephanie Fraim and Melody Ward.

The advisor of the annual staff this year is Mrs. Debra Newell. She is very enthusiastic and interested in it.

This year's yearbook is coming along very well. Plans are being made for the 1975 Yearbook. New ideas and layouts are being worked out. A meeting will be held to decide the price and when the yearbook will be on sale.

Extra 1974 annuals and old pictures will be sold sometime in February. Some people feel that this year's annual will be better than last year's. The staff is interested in what they're doing. It is believed that this is a key ingredient to making the '75 book a success.

Mary Karn, editor of the annual staff, feels that this year's staff is very reliable and responsible. They have really worked very hard these past few months.

## Metal Shop Makes Bleachers

By JAN ELLISON

The senior metal shop class, under the supervision of Jeff Tracy, is making portable bleachers. The bleachers will be used on the Veterans Field of the Mt. Sterling Rotary Club and will serve several useful purposes.

The bleachers will be made of pipe furnished by the Mt. Sterling Rotary Club.

The plans were drawn up by the Advanced Mechanical Drawing classes. Tracy said the bleachers will be completed sometime during second semester.

## Wellington Featured Teacher

RALPH WELLINGTON  
By SHIRLEY FIELDS

This week Westfall's teacher feature is Mr. Ralph Wellington. Wellington, one of Westfall's commercial teachers, teaches Bookkeeping I and II, Short-hand I and II, and Law and Sales.

Wellington, who has taught school for 20 years, has spent the last 11 years at Westfall High School. He is also the advisor of the school's paper, The Echo, and The Mustang Country. Wellington attended Ohio University and Capital University.

His comment about Westfall is that it is a wonderful school and the students are very nice and easy to work with. His hobbies include golfing, eating, and music of the 40's.

Westfall is very proud to have Mr. Wellington as a teacher and would like to wish him continued success in teaching and all of his activities.

## Public Payrolls Swelling Hugely

COLUMBUS, Ohio (AP)—One of every seven Ohio workers is on a public payroll and earning more money on the average than those in the private sector, an independent study group says.

The Ohio Public Expenditure Council, a nonpartisan organization that operates on private contributions, suggested in its latest bulletin that payrolls have grown so large they may have a major effect on the ability of federal, state and local governments to provide government services.

"Salaries and wages constitute, by

far, the largest cost of operating government," the council said in its bulletin circulated among public officials, employers, the news media and other interested groups.

The increase in public payrolls in recent years has been of major proportions. The council said full-time equivalent employees of Ohio's state and local governments increased from 307,313 in October 1963 to 442,623 in October 1973, "an increase of 135,310 or 370 fulltime equivalent employees per day," the council said.

Ohio's state government was singled out as having the largest percentage

increase. Its total employment, including those in higher education, rose from 61,256 to 97,878 over the same 10-year span, an increase of 60 per cent. Noneducation employment by the state stood at 58,933 last October, compared to 44,393 in October 1963.

The council said local government is by far the largest government employer in Ohio. Its employment stood at 344,745 in October 1973, an increase of 98,688, or 40 per cent from 1963.

Percentage increases in payrolls of state and local government workers increased 169 per cent during the decade used for comparison, from \$130.9 million to \$351.6 million.

The pay of state employees, the group that got the biggest raises, rose from \$404 a month in 1963 to \$845 last year. The increase for county employees was from \$353 to \$654, while municipal employees earned an average of \$445 in 1963 compared to \$839 last year.

Private sector employees increased from an average of \$479 to \$760 during the same period.

There are 94,670 employees of the federal government in Ohio. Their pay went from an average of \$551 a month in 1963 to \$1,072 last October. Ten years ago, federal employees were the only ones on government payrolls who earned more than their counterparts in the private sector, the council said.

## Steaks Undergoing Own 'Acupuncture'

SPRINGFIELD, Ill. (AP) — The next steak you buy may have undergone an acupuncture-like treatment which a growing number of supermarkets are using to tenderize tough meat.

Skyrocketing grain prices have decreased the supply and increased the price of the tender, corn-fed beef that is most popular in the supermarket.

Supplies of less expensive beef from cattle fattened partially or wholly on grass have increased. But while this meat is lean and flavorful, it is usually harder to chew, fit more for stews than for steaks and roasts. It is often ungraded or graded "good," instead of "choice" or "prime" by the U.S. Department of Agriculture.

Faced with a demand for inexpensive yet tender cuts, a number of retail food chains have turned to a new tenderizing machine which forces hundreds of sharp needles through large hunks of beef, cutting its tough connecting fibers.

The principle involved is the same as that used in pounding a piece of meat or cutting it with rotary knives to make "cubed" steak. But unlike these tenderizing methods, use of needles leaves the meat visually unchanged.

"The meat really looks good in the meat case because the needles promote bleeding, giving the meat a nice red, fresh look," said one meat cutter.

The Illinois Farm Bureau reported that kitchen tests found the meat dried out if broiled or if roasted too long. But it added, "At a time when inflation is on everyone's mind, a lower price for

meat is welcome news .... The new beef can be just as tender as the more expensive grades if it is cooked properly."

The tenderizing machine was developed by Ross Industries Inc. of Midland, Va., about four years ago, but sales have boomed in the past six months.

"We've sold more machines since July than we did in the preceding 12 months," said William DuPont, vice president of the firm.

A spokesman for Jewel Food Stores, one of the chains using the machines, said meat tenderized by the new method was on sale in several of the chain's 250 stores throughout the Midwest.

The spokesman, Bill Mewby, said in Chicago that Jewel identified the beef as "Extra Lean, Tender Cut," and said it sold for 10 to 30 cents less per pound than comparable cuts of USDA choice meat.

# ANNOUNCING CHEVROLET's DOLLARS & SENSE SALE

**\$500 REBATE ON ANY NEW 1975 MONZA.**  
**\$200 REBATE ON ANY NEW 1975 NOVA.**  
**\$200 REBATE ON ANY NEW 1975 VEGA.**

It's a great time to make your best deal on a new Chevrolet, during Chevrolet's "Dollars and Sense" Sale. "Dollars" as in "rebate" and "sense" as in "Chevrolet Makes Sense for America".

Here's how it works:

Make your best deal on any new 1975 Nova, Vega or Monza. Buy or lease\* from your Chevrolet dealer and take delivery anytime from now through February 28, 1975 and you'll receive a \$200-\$500 cash rebate from Chevrolet, depending on the Chevrolet you choose. Don't make any deal on any car until you see your Chevy dealer. We've given him and his salesmen special incentives to make it possible for you to get a great deal right now. Get in on a large selection of Novas, Vegas and Monzas during the early stages of this Sale.

\*Consult your Chevrolet dealer for full lease details.

NOVA. Real value in compact cars.

Pick the base Nova, Nova Custom, or

luxurious new Nova LN. Whichever you decide on, you get a roomy, solidly built, easy-to-drive, easy-to-park compact car. There are two standard Nova engines: an economical six-cylinder or 4.3 litre V8. And the '75 Nova is engineered to cost about \$300 less in scheduled maintenance than the '74 (in 50,000 miles of driving).

MONZA 2+2. Motor Trend's 1975 Car of the Year.

The Monza's styling is completely new. The look is European. Yet the inside of this right-sized car is packed with Amer-

ican engineering. And the kind of comfort Americans are used to. Motor Trend judged the Monza 2+2 in five separate categories before naming it this year's Car of the Year.

VEGA. Best overall EPA gas mileage of any 4-cylinder American-built car.

With its available 140-2 engine Vega achieved 29 miles per gallon in the highway test and 22 miles per gallon in the city test. But Vega gives you economy plus a lot of choices. Based on 1975 Manufacturers' Suggested Retail Prices, the Vega Hatchback, America's most popular hatchback, is already priced \$85 below its nearest competitor. Other Vega models include America's lowest priced wagon, the Vega Notchback, the Notchback LX and the Vega Estate Wagon.

# Few Changes Made On Tax Forms

EDITOR'S NOTE: Following is the first in a series of five articles entitled "Coping With Your Income Tax." They were written to help taxpayers prepare their 1974 returns.

By EDMOND Le BRETON  
Associated Press Writer

WASHINGTON (AP) — If you prepared your income tax return successfully last year, you're off to a flying start on the chore of this year.

The forms have not been changed much and there are practically no new provisions of law or regulation that affect the ordinary taxpayer. This has not been true in the past few years.

So you can use your copy of last year's return as a guide, noting a few differences.

The one that will probably concern most taxpayers has to do with interest and dividend income.

If either interest or dividend income exceeded \$400, you may not use the simple 1040A short form. You must use the longer Form 1040. Moreover, if

your income in either category exceeded \$400, you may not just list the total, but must itemize, using Schedule B.

The Internal Revenue Service eliminated Schedule B last year, but now is bringing it back. It contends that deleting the schedule that provides for itemizing didn't really help taxpayers, because they had to list the items of interest and dividends on work papers to arrive at the total — so Schedule B is simply a worksheet. Accountants also, it appears, liked the schedule.

Another change of wide application reflects IRS' continuing effort to satisfy critics of its handling of the presidential campaign checkoff provision. This is the provision for designating \$1 of income tax — \$1 each for a couple filing jointly — to go into a fund for public financing of presidential campaigns. The checkoff is optional and using it does not add \$1 to the amount owed by a taxpayer — it

simply earmarks \$1 of the tax he would be paying anyway.

When the checkoff was introduced in 1972, only 3.1 per cent of taxpayers participated, earmarking some \$4 million. The checkoff form that year was on a separate piece of paper — an arrangement for which IRS was severely criticized. The law was changed to require that the checkoff box must be put on the return form itself, where taxpayers would be likely to notice it.

This was done in 1973 and provision was made also for taxpayers who had not checked the box in 1972 to do so retroactively for the previous year.

Participation jumped to 13.6 per cent, yielding \$17 million, and in addition 7 per cent of taxpayers took advantage of the retroactive provision, earmarking another \$8.8 million.

This year the box appears prominently on both short and long forms and taxpayers are asked to check "yes" or "no" rather than just using or ignoring the space. There is no designation of party. The money goes into a fund in which the candidates participate, if they choose, under a formula based largely on voting participation.

For a relatively small segment of taxpayers, the new pension law made a significant change.

It benefits self-employed persons who have an individual retirement plan — generally known as a "Keogh Plan."

In the past, 10 per cent of self-employment income could be put aside in a Keogh plan and deducted from current income for tax purposes. When the money was drawn out on retirement, it would be taxable. The limit on the amount invested and deducted each year was \$2,500.

The 1974 law increased the percentage to 15 and the limit to \$7,500.

Moreover, it provides special advantages for persons with a small income from self-employment — typically those whose self-employment is a secondary source of income from a part-time business, or professional, literary or consulting activity.

As much as \$750 may be placed by

## Steelmakers See Drop In Shipments

CLEVELAND, Ohio (AP) — Steelmakers expect a drop in mill shipments during the first half of 1975, with a recovery beginning in the third quarter, Industry Week reported today.

The business weekly said experts

## Daydreaming Said Hurting Car Pools

SEATTLE (AP) — A bicycle-riding sociologist believes most commuters are too busy daydreaming to give car pooling a chance.

After studying data on the commuting habits of persons in 98 U.S. metropolitan areas, the University of Washington's Dr. Avery Guest said he doesn't blame the commuters for wanting to travel alone.

"Most of us are workers surrounded by large numbers of other people and are family persons with wives and children," he said in an interview Sunday. As a child cried in the background he continued, "It is very difficult to set up a situation at home or work where a person can get peace and quiet."

"Some people just like to be by themselves and not have to talk to anyone. For some it's a break in the day, a period when you don't have to worry about the kids just yet or about the job," he said. "And in a way, it's an enforced opportunity to daydream and to be alone with your thoughts."

Guest said this is why carpooling generally hasn't caught on, despite concentrated efforts by government and business.

Working under a program sponsored by the National Institutes of Health, he has studied U.S. Census data from the 98 metropolitan areas for the past year. Persons were asked about transportation use in the census.

He said numerous other studies have asked persons if they would ride public transportation if it was clean, took less time and cost only a fraction of what it takes to go by automobile.

"And overwhelmingly those questioned still have opted for the automobile. They quite frankly prefer to commute, even if they don't specifically say so."

Guest has decided that, "On the whole, automobiles and automobile cities are a good thing. They lead to a varied, generally happier life that you don't get if you walk to work."

## Coal Production Proves Uneven

WASHINGTON (AP) — The level of coal production this year is on an erratic course, but it is still above the same period of last year.

Total production of bituminous coal and lignite for the week ended Jan. 18 was estimated by the U.S. Bureau of Mines at 11,595,000 tons, a decrease of 10.8 per cent from the previous week. Production in the same week of 1974 was 11,640,000 tons.

Total production this year, as of Jan. 18, was estimated at 31,305,000 tons, up 3 per cent from the 30,385,000 tons mined as of Jan. 19, 1974.

forecast a 17 per cent drop in the first half, with shipments gradually growing to another period of tight supply in 1976.

Analysts expected shipments of no more than 48 million tons in the first six months compared to a record 57.8 million a year earlier.

The outlook for renewed demand in the third quarter was based on the expectation that capital goods and energy-related steel markets would benefit from legislation being considered by President Ford and Congress, IW said.

The consensus of steelmakers is that U.S. mill shipments will fall to between 97 million and 102 million net tons this year. Official figures haven't been announced, but estimates are that 1974 shipments totaled 109.5 million net tons compared to the record 111.4 million tons in 1973.

The coal miners' strike cut deeply into production in December, and raw steel production still has not reached the prestrike level of 2.8 million net tons a week in the U.S. Industry Week estimated that output in the week ended Jan. 25 was 2,575,000 net tons.

Mills can be expected to try to achieve a high level of production even if demand continues to soften, the editors said. Mills need to replenish inventories nearly exhausted by demand late last year.

Painters decorate the

such persons in a Keogh plan, provided they earn that much from self-employment, without regard to the 15 per cent provision.

The Keogh increases applied to 1974 income. If you were eligible and did not take advantage of the change, by establishing a plan for stepping up your contribution to an existing one, it is of course too late to affect the return you will be preparing now. But it is something to keep in mind from now on.

Moreover, beginning this year, employed persons whose employers do not provide a retirement plan may establish their own along lines somewhat similar to the Keogh plan. If you are in this situation, you should check out the possibilities. Savings institutions, brokers or the IRS can provide information.

# Westfall Blasts LU Lions For 75-57 Win

By DAVID AMEY  
Herald City Editor

Nine Westfall cagers found their way to the scoring column as the Mustangs ripped visiting Liberty Union of the Mid-State League 75-57 Saturday night.

It was the best offensive effort of the season for Mike Eckle's crew and the win upped their overall record to 7-8 on the year. The Mustangs are 5-5 in Scioto Valley Conference play.

Liberty Union, 4-6 in the Mid-State and 4-10 overall, never got their offense untraced.

Aronid Gabriel's cagers had been averaging over 70 points a game going into the tilt. Their lowest scoring efforts of the year were a 69-51 loss to

Rosencrans in the opening game of the season and an 81-51 drubbing by powerful Hamilton Twp. in the third contest.

The credit must go to the Mustang man-to-man defense, which Coach Eckle praised for their fine play.

"We played sloppy ball," he said, "but our kids stuck together for good individual efforts at both ends of the floor. And the defense did a good job keeping them away from the boards."

Jeff Karshner scored 16 points for the Mustangs, eight in the third period when Westfall put the Lions away. He also grabbed 13 rebounds to pave the way for Westfall's 55 total and domination of the boards.

Chris Riddle scored 13 points, Brad

Beatty hit for nine, Kevin Reid had eight, all in the fourth quarter, and eight rebounds, Doug Williams scored eight and had eight rebounds, Bill Hamman scored seven, Terry Hanson scored six, Mack Dick had six points and six rebounds, and Randy Hildenbrand scored two points.

Rick Underwood maintained his scoring average for the Lions with 24 points and Jeff Wagner scored 11.

Besides holding a big edge in rebounding, the Mustangs fired in 31 of 76 shots for a 40 per cent average. They were 13 of 17 at the foul line, two better than Liberty Union which struck for 11 points in 17 foul tries.

Westfall forged out to a 12-6 lead after the first period, but the Lions shut-off the inside play in the second period and scored 21 points to cut the margin to four, 31-27, at the half.

Then the Mustang forwards took control of the game in the third quarter

with Karshner hitting for eight and Riddle for six as Westfall opened up a 51-41 bulge.

Working against the Lion man-to-man press in the final quarter, Westfall was able to hold onto its 10-point lead.

With 5:20 to go in the game, Hamman scored on a drive, added a free throw, and Westfall was ahead by 13, 62-49.

And big Reid took over with his eight-point, eight-rebound quarter to seal the win.

"We're getting better all the time," Coach Eckle said, reciting his team's shooting average in the second half. The Mustangs found the range for 17 baskets in 32 tries in the second half for a 53 per cent shooting average and 44 points.

"We tell the kids all the time that we're attempting to reach our peak.

And maybe we're getting a little closer," he said.

After playing six games this month, the Mustangs will take them a little slower.

And with good reason.

They will travel to Madison Plains Saturday for a tough non-league clash. Then, Feb. 7, they will host Adena, the current second-place SVC team. And on Feb. 14, the Mustangs will travel to Southeastern for a crack at the league leaders in their final regular tilt of the year.

"If we can peak in the next three games, we'll cause some surprises in the league," Eckle said. He feels his team is looking forward to the Class A sectional tournament, which will begin

the second week in February.

The Westfall reserves made it a clean sweep of Liberty Union with a 44-19 win in the preliminary game. Eric Schleich paced the win with 12 points.

## SUMMARY

LIBERTY UNION — Miller, 3-2-8; Underwood, 10-4-24; Wagner, 5-1-11; Glasspoole, 2-4-8; Taylor, 1-0-2; Eversole, 2-0-4. Totals, 23-11-57.

WESTFALL — Beatty, 3-3-9; Hanson, 1-4-6; Hamman, 3-1-7; Reid, 3-2-8; Dick, 3-0-6; Karshner, 8-0-16; Williams, 4-0-8; Riddle, 5-3-13; Hildenbrand, 1-0-2. Totals, 31-13-75.

Score By Qtrs. 1 2 3 F  
Liberty Union 6 27 41 57  
Westfall 12 31 51 75

**HOOK SHOT**—Westfall's Kevin Reid (54) works between Liberty Union's Jeff Wagner (45) and Greg Taylor (13) for two of his eight points in the final quarter of the Mustangs 75-57 win over the Lions Saturday in the WHS gym.

10 The Circleville Herald, Monday January 27, 1975

### CJH Grapplers Drop Match To UA Hastings

The Circleville Junior High varsity wrestling team dropped its final match of the season Friday, a 36-27 defeat at the hands of host Upper Arlington Hastings Junior High School.

The team finished with a 7-2 season record, the best ever for a Circleville Junior High squad.

Coach Dave Angles said his team did a fine job at Upper Arlington and should be commended for their efforts. Hastings, a Class AAA school, finished the year with an 8-1 record, losing only to Gahanna-Lincoln.

Five Circleville starters missed the match due to the flu. Two had unbeaten records and two had lost only one match.

Circleville wrestlers finishing the year with unbeaten records in their weight classes included Rodney Cook, 5-0-1; Ted DeFrank, 10-0; Scott Waters, 5-0; and Tim Housh, 6-0.

Other Tigers with winning season marks were Mike Contino, 7-1-1; John Harr, 6-2-1; Doug Brown, 5-2-1; John Frericks, 7-1; Eric Berlin, 7-1; Joe Leahy, 6-3; and Scott Willoughby, 7-1.

Results of the meet were: 80-pound - Roach (UA) decisioned Paul Johnson, 5-2; 85-pound - Ted DeFrank (C) decisioned Miller, 15-0; 90-pound - Mike Contino (C) draw with Hall, 2-2; 95-pound - John Harr (C) decisioned Drake, 4-0; 100-pound - Jenkins (UA) decisioned Happeney, 3-0; 105-pound - Doug Brown (C) decisioned Pfister, 6-4; 110-pound - Bigham (UA) pinned Dave Cordle, 1:23; 115-pound - Greg Berrigan (C) decisioned Drake, 10-6; 120-pound - McLinn (UA) decisioned Brad Rase, 6-0; 126-pound - Anderson (UA) decisioned David Greenlee, 1-0; 132-pound - King (UA) major decision Joe Leahy, 10-0; 138-pound - Winslow (UA) pinned Tim Herron, 2:58; 145-pound - Mark O'Dell (C) decisioned Dumond, 12-8; 155-pound - Scott Willoughby (C) decisioned Davidson, 9-0; 167-pound - Tim Housh (C) pinned Jones, 1:01; Heavy - Noble (UA) pinned Mark Linton, 2:02.

The Circleville 7th and 8th grade wrestling team defeated Marysville 54-15 Saturday evening.

The team had 12 wins and was lead

with pins by Cordle, Herron, Logan, and Shirey.

Results were:

80-pound - Scott Chelickowsky (C) decisioned Harterode, 3-0;

85-pound - Ted DeFrank (C) decisioned Thompson, 6-1;

90-pound - Shuler (M) decisioned Scott Brady, 3-0;

95-pound - Mike Contino (C) decisioned Watson, 5-0;

100-pound - John Harr (C) default over Martz;

105-pound - David Happeney (C) decisioned Wimmers, 3-0;

110-pound - David Cordle (C) pinned Peterman, 1:00;

115-pound - Mick (M) pinned Jim Butler, 3:20;

120-pound - Laird (M) won by forfeit;

126-pound - Eric Hart (C) decisioned Miller, 2-0;

132-pound - Jeff Pauley (C) decisioned Olmstead, 6-5;

138-pound - Tim Herron (C) pinned Mitchell, 4:47;

145-pound - Tom Logan (C) pinned Daniels, 1:11;

155-pound - Wayne Bowman (C) won by forfeit;

Heavy - Doyne Shirey (C) pinned Brown, 2:19.

### Pistons Rip Chicago Bulls; Win 102-93

By ALEX SACHARE  
AP Sports Writer

The defense was tenacious, the pace frenetic. It was old-fashioned basketball at its bruising best, bodies flying madly about the floor.

It was the Chicago Bulls and Detroit Pistons in a donnybrook for first place in pro basketball's roughest division. And in the end it was a good big man, Bob Lanier, and a good little man, Dave Bing, who made the difference for Detroit.

Lanier poured in 31 points and Bing added added 25 — including 11 in overtime — to give Detroit a 102-93 victory in the nationally televised National Basketball Association clash Sunday. That victory, in Detroit's Cobo Arena, gave the Pistons a two-game lead over Chicago in the NBA's Midwest Division and avenged an embarrassing 116-96 loss in Chicago Saturday night.

### Marysville Tops CHS Wrestlers

The Circleville High School wrestling squad, beset by injuries and illnesses, lost a 35-21 match to Marysville Saturday.

Six Tigers starters missed the match, hosted by the Monarchs. Four were out with the flu and two with injuries.

The match was the first competitive event of the season for Pat and Tim McNaughton and Andy Smith, suspended from athletic competition before the start of the season. The wrestlers returned to the team Wednesday.

Results of the match were:

98-pound - Cline (M) pinned Mike Hamilton;

105-pound - Andy Smith (C) decisioned Munoz, 3-2;

112-pound - Tony Dray (C) draw with Watson, 3-3;

119-pound - Brett Christy (C) pinned Simpson, 3:10;

126-pound - Jackson (M) decisioned Tom Marshall, 11-10;

132-pound - Schuler (M) pinned Dave DeFrank;

138-pound - Jim Cordle (C) decisioned Huele, 12-1;

145-pound - Holloway (M) decisioned Mike McCabe, 6-0;

155-pound - Bill Mogan (C) decisioned Jimenez, 4-1;

167-pound - Fraker (M) decisioned Pat McNaughton, 2-1;

175-pound - John Payne (C) decisioned Grimes, 8-7;

185-pound - Seitz (M) pinned Tim McNaughton;

Heavy - Mike Brown (M) won by forfeit.

The varsity wrestlers will compete in the 16-team Hamilton Twp. tournament Friday and Saturday.

The Circleville reserve wrestlers, who lost three starters to the flu and several more members who had to wrestle with the varsity, were beaten by Marysville 57-12.

Circleville was forced to forfeit six matches.

Results were:

98-pound - Newberry (M) decisioned Dan DeFrank, 12-9;

112-pound - Keilholz (M) pinned Randy Speakman;

126-pound - Lowe (M) pinned Dave Cline;

155-pound - Miller (M) pinned Dave Phillips;

167-pound - Jerry Strawser (C) won by forfeit;

175-pound - Bruce Brudzinski (C) won by default over Rockholder.

Circleville forfeited the 105, 119, 132, 138, 145, and heavyweight classes.

The reserves will host DeSales Thursday in a 7 p.m. match and compete in the Groveport Tournament Saturday.

### Bengals Seek Another Bill Bergey

CINCINNATI (AP) — The Cincinnati Bengals, after trading away one of the National Football League's top linebackers last summer for three future No. 1 selections, head toward Tuesday's annual draft confident they might land another Bill Bergey.

A bumper crop of college linebackers enhances that goal.

"It's the top year for linebackers since I've been in the business," said Pete Brown, director of scouting for the Bengals.

"And it's the area we are very interested in because there are more good linebackers available this year than in any other position," he said.

Brown is not bashful about naming who he considers the nation's top prospect at linebacker. "Robert Brazile of Jackson State," he says without hesitation. "He's the finest I've seen in three years. He'll go among the first four or five."

# Gene Littler Wins Crosby Pro-Am

PEBBLE BEACH, Calif. (AP) — It's characteristic of the man that Gene Littler sometimes, infrequently refers "to my little set-back of a couple of years ago."

He's a soft-spoken, unemotional, low-key type and generally is considered one of the finest gentlemen in the game of golf.

His "little set-back" was cancer.

He underwent surgery that involved some irreparable damage to shoulder

## Washington Capitals Hold Last In NHL

By THE ASSOCIATED PRESS

The Capitals may be last in the National Hockey League but they're first in the hearts of Washington's winter sports fans.

The Caps, in their first year in the NHL, have the league's worst record with a mere four victories and five ties in 49 games for just 13 points. With just 31 games to go, they seem certain to break the league's modern record for the fewest points in a season, the mark of 30 set two years ago when the New York Islanders finished at 12-60-6.

muscles. His career appeared to be at an end. His life was in danger.

But the quietly courageous man came back, working, exercising, finally playing again. He came back to win the 1973 St. Louis Open. But there was always the thought lurking in his mind, he admitted, that maybe that one was a fluke.

"This is great," the usually poker-faced, 44-year-old man said with a broad smile. "This really proves that I'm back — that I can do it again. This was winning on a great golf course."

He won the 34th Bing Crosby National Pro-Am Sunday on the windswept crags and cliffs of the Pebble Beach Golf Links, one of the nation's most demanding and most spectacularly beautiful courses.

And he won over a premier field that included Johnny Miller, the young man who had captured the fancy of the country's golfing millions with his incredible, record-setting sweep of two Arizona tournaments.

"There's not a lot to say," mused Miller, who seemed relieved that the intense pressure of constant, daily national attention had been shifted from him.

"I don't have any regrets," he said, "I tried hard on every shot."

"My game just needs rest," he continued. "There's nothing wrong with my game. I have the technical part of it down pat. It's now 90 per cent inspiration, 10 per cent perspiration."

And he'll now take a week's rest after a tournament in which he didn't break 70 in any round; this on the heels of eight consecutive rounds in the 60s. He finished with a 74 and a 289 total, nine shots back of Littler.

Littler, who has missed this event only a couple of times since 1953, owned a four-stroke lead starting the day's play, made eagle three on the second hole and really was never threatened. He needed only a final round of 73, one over par, in the final round and finished with a 280 total, eight under par.

Hubert Green, the lanky young man from Birmingham, Ala., with the crouched and curious putting stance, claimed second with the day's best round, a 69, and a 284 total.

Tom Kite, with a 70 the only other man to break par in the swirling winds that turned the final round into a golfing horror show, came out of the

pack with a 70 for third at 285. Lou Graham birdied the final hole for a 75 and 287, the only other score under par

for 72 holes.

Jack Nicklaus, making his first start of the year and faced with Miller's

challenge to his spot as the game's No. 1 practitioner, never really got untracked. He had a closing 72 for 289.

Now is the time to enjoy the Affordable Luxury of

New and Used Furniture

By FRANCIS DRAKE

Look in the section in which your birthday comes and find what your outlook is, according to the stars.

## FOR TUESDAY

**ARIES** (Mar. 21 to Apr. 20): If faced with a quick change or unexpected suggestion, don't reject summarily. Maintain poise and consider all factors before making a decision.

**TAURUS** (Apr. 21 to May 21): An excellent period for broadening your outlook, introducing new ideas and systems into your regular program. But do not switch position or tactics in a way that betokens instability.

**GEMINI** (May 22 to June 21): Use that quick-thinking mind of yours to prevent errors and keep you from acting hastily or impulsively. Consider a new outlet for your talents.

**CANCER** (June 22 to July 23): Capitalize on present trends; convert to superior methods where feasible. But do not make drastic changes in projects now running smoothly.

**LEO** (July 24 to Aug. 23): Map out a clearly defined program devoid of time-wasters. Accommodate to necessary changes, but emphasize stick-to-itiveness. Romance and travel favored.

**VIRGO** (Aug. 24 to Sept. 23): Helpful influences, but you will have to be alert, nonetheless. You may have to try a new tack or make changes in pre-set plans, but they should be for the better.

**LIBRA** (Sept. 24 to Oct. 23): Especially favored under day's somewhat unusual but, on the whole, friendly aspects: secretarial and clerical work; mathematics, artistry and science generally.

**SCORPIO** (Oct. 24 to Nov. 23): Stretch a point where it will pay off later. A vote of confidence is sometimes necessary to secure cooperation. Maintain a steady hand and a discerning eye.

**SAGITTARIUS** (Nov. 23 to Dec. 21): Meet competition — but in a subtle manner. Advancement notable in economics, industry, sales, educational pursuits.

**CAPRICORN** (Dec. 22 to Jan. 20): Mixed planetary influences give a total picture of alternating apathy, readiness, indecision, enthusiasm. Firm up!

**AQUARIUS** (Jan. 21 to Feb. 19): You may now experience a sense of frustration, along with boredom and fretfulness. Your keen mind and innate good sense can, should, help you counteract.

**PISCES** (Feb. 20 to Mar. 20): Some earnings and credits may be less than expected, but the general outlook is excellent for

benefits through sustained efforts over a period of time. **YOU BORN TODAY** are a strong-minded and strong-willed individual. Your ambition knows no bounds and, once you have set your mind on a goal, you let nothing stand in the way of its attainment. You are especially adept at writing and music, but could also excel in painting, sculpture, fashion design — almost anything artistic. You may even turn a sideline into a going business, a hobby into a second vocation. You are inventive, too, and could make a mark in the field of gadgetry. Traits to curb: excessive volubility and exaggeration.

**DAILY CRYPTOQUOTE** — Here's how to work it:  
A X Y D L B A A X  
L O N G F L A W R

One letter simply stands for another. In this sample A is used for the three L's, X for the two O's, etc. Single letters, apostrophes, the length and formation of the words are all hints. Each day the code letters are different.

## Views On Television

**NEW YORK (AP)** — "World Hunger! Who Will Survive?" is the hyped-up title of a down-to-earth, three-country hunger study which public TV stations are getting tonight from the Public Broadcasting Service.

The show, narrated by Bill Moyers, examines the food crises of India, Niger and Colombia.

Before you shrug and say, "What else is on tonight?" we advise that this isn't another doomsday special in which well-fed correspondents mainly point at the starving, recite grim statistics and interview bureaucrats.

As Moyers puts it, "This program is not just one more lament about suffering humanity.... Our purpose is to touch in these specific cases on why there isn't enough food to feed them, and to report on what is being done and may yet be done to help the countries they live in become more sufficient in providing the bread of life."

The India report, put together by Mary King Rose, is the most effective part of the 90-minute program.

It skillfully weaves together the disparate, yet related, stories of fallen productivity, hard-pressed farmers, ill-treated sharecroppers, black marketeering in grain and massive, hunger-caused urban problems.

The salient statistics are provided in Moyers' off-screen narration. But no reporters show up on camera to interrupt the flow of stories — often translated by English-speaking interpreters — told by those

interviewed for the program. The technique, plus the relatively long time given each interview, puts India's hunger crisis on a far more meaningful basis than a reporter's words ever could.

Alas, the segment fails to fully explore just what the government of India is doing to ease that crisis, a major omission in an otherwise well-done piece.

The studies of drought-stricken Niger and the malnourished poor of Colombia put more emphasis on what is being done and what can be done to alleviate the widespread hunger in those countries.

Three countries in 90 minutes seems too much for the show — and a viewer — to handle. It might have been more effective to concentrate only on one country and do it in an hour.

## Ali-Wepner Fight Clears 1 Hurdle

**MEXICO CITY (AP)** — The Muhammad Ali-Chuck Wepner heavyweight title fight has won one clear decision in out-of-ring political sparring and apparently will win another. The March 24 fight between the unranked Wepner, a liquor salesman from Bayonne, N.J., and Ali in the Cleveland Coliseum has the green light from the world Boxing Association.

But the World Boxing Council has balked, although its attitude is softening.

## Synthetic Eyes Being Developed

GAINESVILLE, Fla. (AP) — Synthetic eyes patterned after the light panels on space vehicles may help some blind people see, says a researcher at the University of Florida.

Dr. William Dawson, director of the sight laboratory, says it's a tough project, but he is optimistic that researchers are near a breakthrough.

Dawson said scientists at the university have been working to duplicate the retina, perhaps the most crucial part of the eye. The eye's cornea and lenses already have been duplicated, he said. An entire synthetic eye may be developed in six to eight years, he said.

The retina, the eye's innermost portion, is the "seeing" instrument. It focuses light rays and transmits them to the brain. Retinal disease and damage account for about 20 per cent of all blindness and are usually incurable, Dawson said.

But he said research by the Gainesville team has shown that it takes only a very small electric current to prompt the undamaged portion of the retina to send visual messages to the brain.

A tiny electrode placed on the eye's outer surface can transmit electrical currents to inner layers and cause a blind person to see light, Dawson said.

One of Dawson's volunteers who saw light for the first time in years described the scene as "brilliant as the aurora borealis."

In other labs, animals are undergoing tests to determine how much electrical current is needed to produce the actual visual image on the eye, Dawson said.

The University of Florida plan involves implanting 50,000 to 100,000 tiny light converters, miniatures patterned after the solar light panels used on the Skylab space station and other space vehicles.

The small converters would excite previously inactive nerves in the retina.

If the converters — known as photovoltaic cells — could stimulate enough nerves, an image would form on another portion of the retina and be relayed to the brain. And there would be sight.

But Dawson said that to be useful,

## LE Senior Injured In Accident

A 17-year-old Logan Elm High School senior is in Mt. Carmel Hospital, East, Columbus, with injuries sustained in a two-car accident, 10:25 a.m. Saturday.

According to the report taken by Pickaway County Sheriff's Deputy James Leaker, David A. Hulse, 17, Route 5, was southbound on the Bolender-Pontious Road when a northbound car driven by Walter J. Zahard, 58, Route 5, went left of center, striking the Hulse vehicle head-on.

Hulse was treated at Dr. Hedges office before being transferred to Columbus.

Deputy Leaker cited Zahard for driving while intoxicated.

Both autos were totalled.

## Jury Dismissed When Defendant Pleads Guilty

A jury called this morning to hear a criminal case was dismissed when the defendant entered pleas of guilty and waived his right to a trial by jury.

James Clarence Jones, Steubenville, was originally charged with aggravated burglary and theft. Upon entering negotiations with county prosecutor Richard Gerhardt, Jones entered pleas of guilty of burglary and theft.

Gerhardt said this morning that the man had agreed to testify before the Franklin County Grand Jury and to clear up three other burglaries in which he was involved. The prosecutor also said Jones had returned \$4,000 worth of merchandise which had been stolen.

Judge William Ammer, accepting the pleas, sentenced Jones to terms of 4-15 years on the burglary charge and 2-5 years on the theft charge. Both terms are to be served at the Ohio Penitentiary and the court specified they were to run concurrently.

A jury trial which began Thursday will continue Tuesday morning in the common pleas court. The jury heard testimony Thursday and Friday on the case involving Lawrence and Frances DeWeese, Route 3, Mt. Sterling and Marie Morgan of Route 5, Louisa, Ky. Mrs. Morgan is seeking damages because of a forcible entry action originally filed in the municipal court.

## USS Chemicals Honors Two Retiring Employees

**AT RETIREMENT PARTY**—Retiring employees of USS Chemicals, Molded Plastic Products, Mrs. Emma M. Curlett and Malcolm P. Russell (right) were presented gifts by E. Wayne Miller, district manager, at a recent party in their honor.

USS Chemicals, Molded Plastic Products announced the retirement of Emma M. Curlett, customer service representative, and Malcolm P. Russell, production control superintendent.

Mrs. Curlett is retiring after 25 years with the company. Her service started in Cambridge, prior to the plant moving to Circleville in the spring of 1950.

Russell is retiring after 15 years with the company. His service started in 1960 in the production department as scheduler and he was subsequently promoted to production control

## Dr. Cromley Attends Seminar On Heartworm

Dr. Lon Cromley, DVM, Ashville, has returned from a visit to Grand Cayman Island in the British West Indies where he attended a 6-day seminar on canine heartworm disease. Heartworm is found in several areas of the United States, especially the areas where low lying land or water tend to increase the mosquito population.

The life cycle of the heartworm involves transmission from dog to dog by the bite of the mosquito. The parasite migrates from the point of the mosquito bite eventually to the right side of the heart and there develops into a worm approximately six inches long.

The disease is being found in more and more areas of the United States and in a much larger dog population, especially outside dogs.

Grand Cayman Island was an ideal place to study heartworm disease because of its tropical location. The island is approximately 55 per cent mangrove swamp which provides a high incidence of mosquitoes.

## Mainly About People

Mrs. Charles I. Holland Sr., Route 5, is a surgical patient in room 441, Grant Hospital, Columbus.

Julie Marie Walker, Route 2, has been dismissed from Children's Hospital, Columbus.

### School Walkout Ends

COVINGTON, Ky. (AP) — Covington's school teachers voted to return to classes today following a one-day walkout Friday to protest the dismissal of Supt. Bert A. Bennett.

## DeMolay Elects Wilson As Master Counselor

The Circleville Chapter Order of DeMolay held its 49th installation of officers recently in Masonic Temple with David Wilson chosen as Master Counselor.

Other officers elected at the open installation which was attended by guests from various chapters in the state included Jerry Yeatts, senior counselor; and Mike Fields, junior counselor.

The installing team included: Installing Officer, Pat King, past State Master Counselor; Installing Senior Counselor, George Wengel, State Junior Deacon; Installing Junior Counselor, Jim McGee, state representative to the 20th District; Installing Chaplain, Ken Perdue, State 4th Preceptor; Installing Marshall, Bob Garrison, PMC Fairfield Chapter; and Installing Senior Deacon, Bryan Daubennire, MC Fairfield Chapter. Counselor, Jim McGee, state representative to the 20th District; Installing Chaplain, Ken Perdue, State 4th Preceptor; Installing Marshall, Bob Garrison, PMC Fairfield Chapter; and Installing Senior Deacon, Bryan Daubennire, MC Fairfield Chapter.

Dignitaries attending the installation ceremony were: James W. Krinn, 20th District Ohio Governor; Paschal King, State membership director; Mrs. Paschal King, State

Mother's Club director; Cindy Daubenmire, Grand Hostess Lancaster Chapter 117; Liz Litter, Circleville Chapter Sweetheart; Chris Brown, 20th District Sweetheart; Sweetheart Teresa Stilwell; and Willis Wolf, chaplain of the Baltimore Chapter.

Other special guests included Paul Dunkle, pianist; and the Rev. Roy Osborn, who gave the invocation and benediction.

A gavel was presented to Wilson by his parents for attaining the office of Master Counselor.

Refreshments were served by hostesses Susi and Robin Ervin and Gloria Fields assisted by Kay Ervin, Jean Schieber, Dee Rogols' and Mary Merriman.

### Former Demo Dies

MIAMI, Fla. (AP) — Frank M. McHale, 84, former Indiana Democratic National Committeeman and a prominent lawyer, banker, and co-owner and board chairman of the Southern Indiana Railway, died Sunday while on vacation in Florida. He served on the national committee for 15 years from 1937 to 1952 and was a delegate to every Democratic National Convention from 1928 to 1972.

the boss' promise

Recent price checks of Kroger vs. competition clearly indicate that our store-wide prices are the best in the market. And for several months we've invited you to compare us against them with our little plastic adding device we call the "Mini Miser." We still invite you to compare prices, but perhaps even more importantly you should know "we are working hard to bring you lower prices" in 1975. That's an important promise from me. Important, because it concerns your weekly food bill and I realize that's probably one of the larger items in your total budget. I've asked all our own departments to minimize their operating expenses for 1975. I've asked each to outline specific plans to reduce expenses, to operate more efficiently, to help bring lower prices in 1975. To date we are conserving energy by 1/3 and in some cases by 1/2. We're on a total program of "lights out to keep yours on" and its working both here at the office and warehouse, and also in all our stores. We've reduced gas consumption 9% to 10% with lower temperatures in our office and at our Kroger stores. We're totally committed to a new prevention, maintenance program giving longer life and more efficiency to much of our equipment. For example, our tractors on the highways are in near perfect operating condition having been fine tuned to save fuel and repairs. I've approved new more efficient delivery schedules to our stores, new training schedules for productivity, methods of cleaning, and more as part of our overall program to bring you lower prices in 1975.
